There's a new day dawning

April 2019

What does Easter mean to you?

In the Bible it tells us Adam traded mankind's inheritance when he disobeyed God. It also tells us **Jesus traded His life for our freedom.**

At the cross, at the cross
When I first saw the light
And the burden of my sin rolled away
It was there by faith
I received my sight
And now I am happy all the day.

In the Old Testament there were more than 600 religious laws and every time you failed you had to offer an animal sacrifice as atonement.

Then Jesus came and opened up "the fresh, new, life-giving wayfor us" (Hebrews 10:20). His way included forgiveness for sin and the replacement of sacrifices with faith in Him.

Jesus came, lived a sinless life, was brutally killed, BUT rose again on the third day (Easter Sunday) giving us victory over both sin and death.

My testimony is that since I received Jesus Christ into my life as my Lord and Saviour, through all the ups and downs of life, I have known His peace and His joy; AND the hope of eternal life.

For me Easter is not just an annual celebration, but I remember what Jesus did for me, on the cross, every day.

Thank you Jesus. I pray you too will know the saving grace (God's riches at Christ's expense) of Jesus in your life.

Happy Easter.

Consider this ...

Extracts from a speech made by the Prime Minister of Israel, Benjamin Netanyahu.

Only seventy years ago, the Jews were taken to the slaughter like sheep. Sixty years ago, we had no country, no army. Seven Arab countries declared war on our small Jewish state just a few hours after its creation.

We were only 650 Jews against the rest of the Arab world. We were just a few brave people with nowhere to go! The country that was given to us by the United Nations was 65% desert. The country was out of nowhere! Thirty five years ago, we fought the three most powerful armies in the Middle East and beat them in six days!

Today, we have a country, an army, a powerful air force, a state-of-the-art economy which exports millions of dollars, Intel-Microsoft-IBM develops products at home and our doctors receive awards for medical research. We make the desert bloom and sell oranges, flowers and vegetables all over the world. Israel has its own satellites in space.

Let us remember that nations and cultures which oppose us do not succeed. We have survived Pharaoh, the Greeks, the Romans, the Spanish inquisition, The Russian pogroms, Hitler and the Germans, the Holocaust, the armies of seven Arab countries and Saddam.

We are the Bible nation. We will continue to survive the present day enemies. While we mourn our deaths, others rejoice in the Jewish blood being shed.

We are still here and we will win in the end! He who never sleeps or will ever sleep, the guardian of Israel, Yahweh, God of Abraham, Isaac and Jacob watches over us.

Café Prayer for Healing

As a Fellowship we believe God is our healer, He tells us in the Bible “Behold I am the God who heals you” and we are told Jesus heals ‘all sicknesses and all diseases’. Jesus also said to His disciples of the time, but also down the generations, ‘to pray for the sick, for the healing of all sickness and disease.’ We give thanks for doctors, hospitals and medicine, these are God given

Prayer to Almighty God can be in addition to these, and even before them; and healing taking place after prayer replacing the need for medical intervention. We have experienced healing personally, and witnessed others being healed in line with Jesus healing all sickness and disease.

Healing is not only for physical conditions, emotional healing and spiritual healing can take place. Come along and together let us invite the power of prayer in Jesus name to be over your situation. Book, or pop in to the Coffee Shop on the third Wednesday afternoon from 2,00 pm to 4.00 pm every month. (April 17th, May 15th and June 19th next).

What we will do in Heaven

Imagine boarding a plane when, suddenly, the pilot says, “Welcome aboard. After take-off, we’ll serve you a wonderful meal and do all we can to make your flight enjoyable. However, I need to tell you that we have no destination. We’re just going to keep flying until we run out of fuel and drop into the ocean.” No matter how good the journey is, what’s the point if there is no destination?

In the Bible it says, “If our hope in Christ is for this life only, we are more to be pitied than anyone in the world.”

Thank God there is more to come! It’s called heaven and it’s better by far than anything we have experienced in this life. If you are wondering what we will do when we get there, the Bible says that we will serve the Lord.

Forget sitting on a cloud in a long robe with a halo and a harp. Instead, we will each serve the Lord in different capacities without mid-life crises, downsizing or burnout. Here, we fail, get tired and frustrated and our motives are mixed. But not in heaven!

Can you imagine serving the One you love the most, doing the thing you enjoy most with a body that’s forever energised? That’s Heaven! The ultimate bliss will be seeing Jesus face to face.

I will behold Thy face in righteousness. I shall be satisfied when I awake with Thy likeness. Psalm 17 verse 15.
