## *Our history*

From the very start of the Holme Christian Fellowship we have had the desire to be contributors to the life of our community and to show the love of God to the community in practical ways.

The church opened the Coffee Shop over five years ago for the benefit of the community.

Our vision is to run a place where people could come and relax, chat, meet/make new friends. We are non profit making and the hosts are all volunteers.

We are open from 9.30 am to 1.30 pm Monday to Saturday.

During the week we offer various activities:

Tuesday afternoon 2.00 pm to 3.30 pm Craft Club

On the first and second Fridays of each month we have a Luncheon Club. Both of these activities are very popular - book early to avoid disappointment.

We also run the nationally recognised CAP money management course to help people with personal budgeting.

Details of all these activities are available at the Coffee Shop. Please ask one of your hosts for further information
