

Reflections

Helen

Two very positive things that stand out for me in the last year.

For many years I had not seen the need to update my nice little flip phone that fitted snugly in my pocket, and made and received calls and texts very efficiently. However, at the beginning of March we had to go into a phone shop on another matter and I took the plunge and updated to a 'smart' phone. Whilst it has taken some time to master it, and I am sure I still have a lot to learn, But it is such a blessing.

It has been wonderful to receive videos and pictures from the children of the grandchildren. So during lockdown we have been able to see what Hetty, Hooty and Win have been up to; not to mention baby Isabelle's milestones!

With not being able to open the Coffee Shop I have gained a lot of time. I have really enjoyed the garden and whilst there is still some to do most of it is tidy and dug over well ahead of where I usually am at this stage of the year,

We have had opportunity to clear out some of the buildings as well. I feel it is important for us to make good use of our time and be as prepared as we can be for what is to come. I am believing for good things and an incredible move of God!

Hope that is ok Chris. God bless. Helen
